

FISCAL NOTE AND BUDGET ITEM FOLLOW-UP REPORT - IGG

INFRASTRUCTURE AND GENERAL GOVERNMENT APPROPRIATIONS SUBCOMMITTEE
STAFF: BRIAN WIKLE

ISSUE BRIEF

The Office of the Legislative Fiscal Analyst annually reviews the status of funding that agencies received to implement provisions of bills as stated in fiscal notes and for new funding items. This year's [Fiscal Note and Budget Item Follow-up Report](#) is contained in the "Meeting Materials" webpage for the August 20, 2019 meeting of the Executive Appropriations Committee. Pages that pertain to budgets in the purview of the Infrastructure and General Government Appropriations Subcommittee include:

- Pages 44-59: budget items in the report; and
- Page 101: additional reviewed budget items.

The office also tracked the Legislature's actions regarding recommendations contained in the previous year's report as shown in [Status of 2018 Follow-Up Report Recommendations](#). Page 4 of the document contains items that pertain to IGG's purview
